3. Activities of the Supervisory Board

- Review and examine the General Director's submissions, resolutions, and decisions of the Board of Directors to implement the 2025 Annual General Meeting Resolution, conducting a detailed assessment of achieved targets and unachieved targets with specific analysis of the causes.
- The Supervisory Board is responsible for auditing and controlling: the company's accounting documents and records; the management of accounts receivable and payable; asset management and exploitation, revenue and expenses, in order to analyze factors affecting business and investment results, and to propose timely recommendations throughout the year.
- Conduct activities in accordance with the Regulations on the Organization and Operation of the Supervisory Board; Develop a specific work plan and program for the year, identifying key priorities for each stage, whether investment or operation, in order to determine appropriate control content.

4. Coordination of activities between the Supervisory Board and the Board of Directors, the General Management Board, and other management personnel.

In 2025, building on the continued implementation of the coordination and information exchange mechanism between the Board of Directors, the General Director, management staff, and the Supervisory Board, the relevant parties coordinated their activities and exchanged information, ensuring compliance with the law, regulations, and company rules. Based on the results of internal audits and periodic monitoring, the Supervisory Board made proposals and recommendations to the Board of Directors and the General Director to improve risk management and refine the internal control system. The Board of Directors and the General Director also facilitated the Supervisory Board in fulfilling its responsibilities and duties as prescribed.
